

TIME OUT FOR LUNCH is taken by (l-r) Mrs. N. Zuppari, Mrs. Flora Owens, Mrs. Alma Walton, Mrs. Marie Beale and Mrs. B. Moyer, who represented Torrance-Lomita Red Cross branch at day-long orientation for volunteers held in San Pedro. Special emphasis on blood program painted up duties to be assigned volunteers when bloodmobile makes its visit here on Nov. 29 at Elks Lodge.

Dog Owners Get Second Class Chance

Dog owners who made a resolution to train their pets in the year 1962 will still have an opportunity to enter the final class of the year with the Southwest Obedience Club.

A beginners class will start at 2 p.m. Saturday for a 9-week period at Rosecrans Playground, 149th and Vermont in Gardena. Call DA 7-9157, PL 3-7754 or TE 5-2758 for additional information.

Howard Cross, an American Kennel Club licensed obedience judge, will conduct dog and handler teams throughout the course at the end of which trophies and diplomas will be given out during a graduation exercise.

Dogs six months and older, wether mixed or purebred, are eligible. Children under 16 years of age who desire to train must be accompanied by an adult.

All training is conducted according to American Kennel Club rules. Dogs that have finished the beginners (no vice) work are eligible to enter the advanced (open) class, also starting Dec. 1 at 3:30 p.m.

This is a 12-week course involving the teaching of retrieving and jumping, and off-leash work.

Volunteers Plot Comeback

With a fine string of winners to inspire them—and \$8600 still to go—Torrance Community Chest volunteers are pulling out of a Thanksgiving letdown and pushing toward goal.

Commerce and Industry and Advance Gifts chairman, commiteemen and in-the-plant employees' Chairmen have a weighty share of responsibility.

Torrance Commerce and Industry quota is \$11,541 of the city's \$28,000 plus goal. Advance Gifts goal is \$3269.

Reports of amounts raised to date in each category will be included in Los Angeles-wide totals reported at a special luncheon meeting Friday in the Coconut Grove of the Ambassador Hotel.

Reservations may be made through Area Campaign Headquarters, TE 5-7126.

Intensive in speeded up efforts in Commerce and Industry is the fact that Torrance has two of the Harbor Area's six bronze plaque winners, including a Harbor "first."

General Technology Corp., twice a bronze plaque winner, was first Harbor area employees' group to pledge its fair share.

Second Torrance bronze plaque winner is Liteline, Inc., a winner for the third consecutive year. General Technology as a firm also made its pro rata fair share gift.

Other Torrance pro rata firms include Associated Aircraft Drilling, Azusa Rock and Sand Co., Certi Bond and Paul's Chevrolet, Inc.
